## Dear Potential Partner,

Thank you for your time and attention! We truly appreciate you and hope that you will partner with us to make a memorable evening not only for the nominees and winners but also for the city of Cleveland. The more engaging and celebratory events we do together, the stronger the bonds we will form across our community.

Your sponsorship not only goes to the production of this amazing event, it also helps to continue programs such as Sis11; a program that specifically supports women facing a challenging time and needing immediate support. Funds raised from this event will also assist Authentic Healing Cancer Support group in our effort to ease the mental, financial, and emotional trauma of a cancer diagnosis for patients and their loved ones.
